Dear Patti, Kim, Administrators
And Employees,

Norma, Pat and I would like to thank you for taking such wonderful care of my mother. She enjoyed her 7 ½ years with all of you, so much. She enjoyed her bingo, sing-a-longs, making puzzles with friends and all the other activities offered. She made a point of learning everyone's names. She always enjoyed all the people that joined her for meals. As these friends moved on to nursing homes or had passed on, she always felt badly when they were gone. She felt like she had lost some of her family.

Manor on the Hill always out did themselves when they put on their parties. The Christmas party was at the top of the list. Norma enjoyed the delicious food, desserts and the WINE. You people always out did yourselves and everything was wonderful. Friends and family were always welcome to join in the festivities. The lobster and steak barbecue she always enjoyed. I can't forget to mention the wine and hors d'oeuvres that you served on Thursdays. She would never miss out on that. I could keep going on about all the wonderful things you did for all your guests and tenants.

A special thank you to Tippy, Steve and Denise for the care and special attention they gave her.

Everyone affiliated with the Manor were wonderful and will always be in our thoughts and prayers. You kept her going and we are sure you were an important part of her reaching the age of 107. Thank you to all that made her yearly birthday parties a big success. I hope all the residents of Leominster, Fitchburg and surrounding cities and towns know how warm and wonderful the Manor on the Hill is to all their tenants. They welcome everyone with open arms.

Thank you again, for taking such good care of my Mom.

Very truly yours,

Wayne Schofield
